

INTERNSHIP REPORT

BY MAHIKA MENON

Introduction

As part of my internship with the Learning Links Foundation (under the CDP – Community Development Program from LPU), I had the opportunity to engage with students at Kanya Vidyalaya, Pimpri Gaon, Pune-411017. My focus was to introduce students from grades 8 to 10 to the exciting world of Artificial Intelligence, Cyber Security, Computer Networks & AI integrated Applications showing them how these domains are already changing their world with emerging technology and how they can use them to shape their futures.

Internship Details

Organization: Learning Links Foundation

Internship Duration: 03/07/2025 to 22/07/2025

Role: AI & Cyber Security Intern

Objective: To introduce students (Grades 8–10) to the fundamentals of Artificial Intelligence, Cyber Security, Computer Networks, and AI-integrated applications through interactive sessions, hands-on activities, and real-world examples, inspiring them to explore emerging technologies and envision their role in shaping the future.

School and Session Details

S.No	Date	School Name	Location	Topic Conducted	No. of Sessions	No. of Students	No. of Hours
1	03/07/2025	Kanya Vidyalaya	Pimpri Gaon, Pune	Intro to Cyber Security	3	40	3
2	04/07/2025	Kanya Vidyalaya	Pimpri Gaon, Pune	Types of attacks & malwares online	5	60	5
3	08/07/2025	Kanya Vidyalaya	Pimpri Gaon, Pune	Intro to AI & ML	5	77	5

4	09/07/2025	Kanya Vidyalaya	Pimpri Gaon, Pune	AI Real world examples& QUIZ	3	39	3
5	15/07/2025	Kanya Vidyalaya	Pimpri Gaon, Pune	Intro to Computer Networks	5	82	5
6	16/07/2025	Kanya Vidyalaya	Pimpri Gaon, Pune	AI model Integration & ethics	3	34	3
7	22/07/2025	Kanya Vidyalaya	Pimpri Gaon,Pune	Brief on Computer Networks with Real Life Case Study	6	90	6

Key Highlights

- Conducted 30 sessions reaching out to 450+ students across grades 7, 8, and 9.
- Designed and delivered beginner-to-intermediate curriculum content with interactive tools like AI quizzes, and visual demos.
- Inspired students by connecting AI with their career goals (doctor, engineer, IAS, IPS, artists, teacher, etc.).
- Demonstrated real-time AI applications like using Tools such as Gamma (Used to prepare presentation within minutes) which actually made the students more interested, Showed them the working of Tesla Self Driving Cars. Cyber Security demonstrated to relatable examples Social Media security, financial etc and also activities conducted between students to demonstrate Computer Networks.
- Sharpened my skills in public speaking, curriculum design, and engagement strategies for young minds.

First live zoom meeting with Learning Links Foundation mentors.

Explaining the advantages & disadvantages of online activities & about cyber crimes happening.

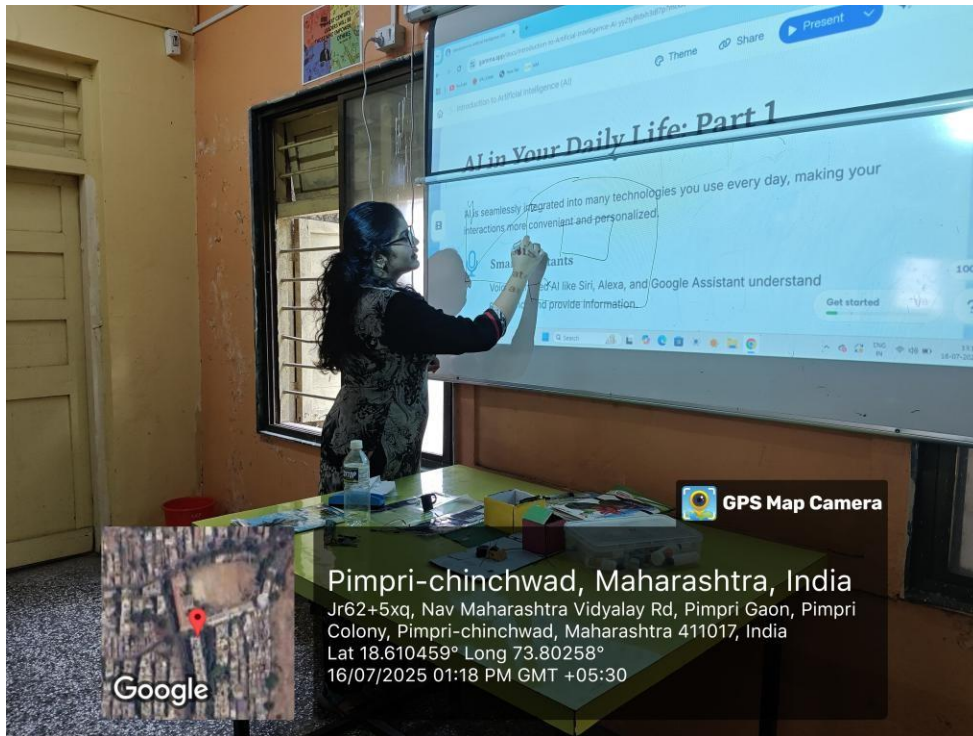

Interaction with students while on going class & real life examples

Visual Demos to the students

Representing Computer Networks through interconnected computers (a representation) through White board Learning & Activities conducted along side

CERTIFICATE

Date: 12th Aug 2025

Certificate of Completion

This is to certify that **Mahika Menon** has successfully completed **30 hours** of the internship program organized by the **Learning Links Foundation** as part of the academic requirement. On behalf of the organization, we congratulate you on your dedication and commitment throughout the **STEM Spark Innovation @ Schools** program powered by **CGI** implemented by **Learning Links Foundation**.

During your tenure with us, you actively participated in various community activities such as session planning, conducting tinkering sessions for government school students, and supporting students in completing their technical projects. These contributions not only enhanced your practical knowledge but also created a positive impact on the community's growth and development.

Your efforts have been truly appreciated, and your contribution towards the betterment of society is commendable. We wish you the very best in your future endeavors and hope you will continue to be an active and responsible member of society.

Yours Sincerely,

Mrs. Sudha Priyadarshan,
Senior Vice President

Conclusion

Through my internship with the Learning Links Foundation in association with NITI Aayog, I was fortunate to serve as a mentor to government school students. This experience allowed me to give back by sharing my knowledge and guiding them in developing real-life projects in AI and cybersecurity—reinforcing my commitment to making technology education accessible and impactful for the next generation.
